Coatings

We use base and top coatings with a wide range of possible applications: on open or closed pore wood, as glossy and matt topcoats, pigmented or clear. Our coatings transfer the benefits of the most modern coating technologies into the most traditional wood coating products. Because we try to minimize our negative influence to the environment we use only water based products certified with EN 71-3.

EN 71-3 CERTIFIED

1001 natural	1004 honey oak	1310 sonoma oak	1018s02 oak
PNH1 light walnut	362 walnut	1076 dark walnut	P44 vintage
1062 light mahagony	1060 mahagony	00903 wenge	eu182 black
